

PRESENT WAR MAP ONLY PEACE BASIS

German Chancellor Says by Looking Allies May Learn Teuton Terms.

POPE SEEKS TO CHECK "SUICIDE OF EUROPE"

Cardinal Gasparri Says Pontiff Has No Other Object in Effort to End War.

LONDON, June 2.—The present war map must form the basis of peace. Let the statesmen of the entente powers look at the facts as presented by this map and they will know Germany's terms.

Thus spoke Dr. von Bethmann-Hollweg, the German imperial chancellor, in the course of an interview with the correspondent of the Berlin Neues Nachrichten during a visit to Munich, says Reuters' Amsterdam correspondent.

The chancellor's words, says the correspondent, have attracted the widest attention. The Lokal Anzeiger, commenting on the interview, says:

"We interpret the chancellor's words to mean that the trenches which the central powers, have erected east and west are an impenetrable wall of German soldiers, which must be the frontiers of a peace treaty. In no war yet has this been the case, but a military achievement which has been gained with so much blood must form the starting point for any negotiations for peace."

Would Halt Europe's Suicide.

ROME via Paris, June 2.—Cardinal Gasparri, papal secretary of state, in an interview today with a representative of the Associated Press declared that the Pope was influenced in his peace efforts solely by a desire to stop the "suicide of Europe."

"The holy father," said the cardinal, "in his most ardent desire for peace has no particular interest in view, despite what the newspapers that are enemies of the papacy state to the contrary."

"If peace is concluded through the friendly intervention of the President of the great American republic or through his catholic majesty the King of Spain, his holiness will equally thank the Almighty that an end should at last have been put to the butchery which is the suicide of Europe."
